

Life Purpose Hand Analysis Intensive Weekend **OAKLAND, CALIFORNIA with Ronelle Coburn, MHA**

Discover Your Real Life Purpose—Right NOW! with LifePrints Hand Analysis

Discover and learn how to use the powerful tool of *LifePrints* Hand Analysis to catapult your own personal growth and get your feet firmly on your own path of incomparable life fulfillment. After this weekend of personal enlightenment, you will be able to assess fingerprints—which spell-out your own unique Life Fulfillment Formula—and be able to help others understand their deep soul psychology and individual path to success. You will also get started on understanding the Personality Psychology mapped in the shape and lines of the hands and take a look at the *Delicious Dilemmas* between your own Soul and Personality Psychologies and how to harmonize their often-conflicting needs. We will also cover hand printing, therapeutic communication skills, and more! This workshop is for you if you are tired of feeling lost, looking for direction or confirmation of your sense of self, longing to get on your true life path, or are ready to learn how to make your life the life you want to wake-up and live! This course is also perfect for healers, counselors, life coaches, and others who wish to gain a fresh new paradigm of human consciousness and its remarkable potential. If you are ready to GO, please join us!

Accolades

“Ronelle is an absolute expert on helping you learn your life purpose and live it—what could be more important than that?” Richard Unger, author of *LifePrints*

“I have found that blending Hand Analysis with my Life Coaching tools has provided a profound tool for my clients to discover their purpose and identify their blockages. Life Purpose Hand Analysis has become a crucial component of my coaching practice.” Stacy Davenport, CPCC/Austin, TX

“Ronelle is an excellent teacher. She takes bits and pieces of information and leaves me with specific knowledge. She distills the useful from the irrelevant and gives me concrete stories and examples so I can easily understand and explain to others what I’ve learned. But most importantly she makes the subtleties of human experience tangible and clear so that I have something to hold onto while I grow.” EM/San Francisco

“The work I’ve done with Ronelle has been life-changing and invaluable. It’s the best investment I’ve ever made in myself.” CP/Los Angeles
